SAMPLE

Physical Constitution and Health During the Major Luck Cycle

How This Major Luck Cycle Affects Your Health:

Based on the balance of Yin, Yang, and the Five Elements, and taking into account the interaction between this Major Luck Cycle and your original BaZi chart, Gé Rén will analyse the support or pressure that different body systems may experience during the cycle.

Body Systems Requiring Attention During the Major Luck Cycle:

Gé Rén will identify the body systems that may be more susceptible to Five Element changes during this Major Luck Cycle and are therefore more worthy of attention, helping you develop greater awareness of daily care and health management.

Note: The content above consists of health indications drawn from the BaZi chart and cannot replace professional medical advice, diagnosis, or treatment. If you experience any discomfort or have concerns, you should seek assistance from a qualified medical professional as early as possible.

Wealth Trends During the Major Luck Cycle

How This Major Luck Cycle Affects Your Wealth:

By considering the interaction between this Major Luck Cycle and your original BaZi chart, Gé Rén will analyse whether your wealth capacity, resource conditions, and financial environment are supported, weakened, or subject to more noticeable fluctuations during the cycle. Gé Rén will also explain the directions that may be more worth pursuing and those that should be approached with greater caution.

Whether Your Wealth Prospects Can Improve During the Major Luck Cycle:

When the wealth conditions within your chart are significantly undermined, the situation may be difficult to reverse in the short term. A new turning point may become more likely only as Annual Luck changes or one period of fortune gives way to another. In other cases, room for adjustment may still remain. Support may arise during particular Annual Luck years, or the conditions you face may be improved through suitable choices, resource allocation, and Five Element adjustments. Gé Rén will explain the changes involved, the opportunities worth seizing, the risks to avoid, and the response directions most suitable to take.

Love and Relationships During the Major Luck Cycle

How This Major Luck Cycle Affects Your Love and Relationships:

At different stages of life, people often have different concerns and expectations regarding romance and partnership. Gé Rén will consider the interaction between this Major Luck Cycle and your original BaZi chart, together with the current circumstances and analytical needs you provide in the intake form, to explain the romantic opportunities, relationship development, and conditions for getting along during the cycle.

For example, you may wish to understand your opportunities for romance and meeting someone new, find a partner suited to a long-term relationship or marriage, explore how an existing relationship may develop, or improve communication and the way you and your partner relate over the long term. Gé Rén will provide the corresponding analysis, explanation, and advice according to your actual needs.

Family and Interpersonal Relationships During the Major Luck Cycle

Gé Rén will consider the interaction between this Major Luck Cycle and your original BaZi chart to analyse the changes, patterns of interaction, and suitable directions for getting along within the following family and interpersonal relationships during the cycle.

You may choose the people you wish to understand according to your actual circumstances and concerns. If there is anyone you would prefer Gé Rén not to comment on, you may also let us know in advance, and we will respectfully omit them.

A Note on Family and Interpersonal Commentary: The following commentary is derived from your own BaZi chart and the fortune you experience, reflecting how these relationships affect you and often providing meaningful guidance. However, each person mentioned has their own destiny and fortune, and the related influences may be strengthened or softened by their own choices and actions. What actually unfolds therefore remains subject to change.

Gé Rén always encourages you to take a positive approach, do what is beneficial, and make every reasonable effort to improve what lies within your reach. At the same time, we also remind you that little can pass beyond the bounds of destiny. Knowing when to let go, rather than forcing people or things that are not present in your destiny, is itself a path towards peace.

Father:

Gé Rén will analyse your father's symbolic strength within your chart, the affinity and patterns of interaction between you, the role he may play, and how this relationship may affect you. We will also explain whether, during this Major Luck Cycle, these influences and the relationship receive support, become weakened, or undergo other changes, together with the effects these changes may bring for you.

Advice on Getting Along:

Based on how this Major Luck Cycle affects the interaction structure between you and your father, Gé Rén will offer suitable directions that may support communication, mutual understanding, and the maintenance of the relationship.

Mother:

Gé Rén will analyse your mother's symbolic strength within your chart, the affinity and patterns of interaction between you, the role she may play, and how this relationship may affect you. We will also explain whether, during this Major Luck Cycle, these influences and the relationship receive support, become weakened, or undergo other changes, together with the effects these changes may bring for you.

Advice on Getting Along:

Based on how this Major Luck Cycle affects the interaction structure between you and your mother, Gé Rén will offer suitable directions that may support communication, mutual understanding, and the maintenance of the relationship.

SAMPLE

Siblings and Peers (including friends, classmates, and colleagues):
Gé Rén will analyse the symbolic strength and patterns of interaction associated with siblings and peer relationships within your chart. We will also explain whether, during this Major Luck Cycle, the support, opportunities for cooperation, and exchange of resources arising from these relationships are enhanced, weakened, or otherwise changed, together with the interpersonal boundaries that may require attention.

Advice on Getting Along:
Based on how this Major Luck Cycle affects your relationships with siblings and peers, Gé Rén will offer suitable directions regarding closeness and distance, approaches to cooperation, and exchanges of resources, helping you build relationships that are more balanced and mutually beneficial.

Children (if applicable):
Gé Rén will analyse the symbolic strength of children within your chart, the affinity and patterns of interaction between you, and how this relationship may affect you. We will also explain whether, during this Major Luck Cycle, the strength represented by children and the parent-child relationship receive support, come under pressure, or undergo other changes, together with the effects these changes may bring for you.

Advice on Getting Along and Family Planning:
If you already have children, Gé Rén will offer suitable directions that may support communication, mutual understanding, and the maintenance of the parent-child relationship, based on how this Major Luck Cycle affects the relationship. If you are considering family planning, Gé Rén will also explain the periods and related conditions that may be more worthy of attention during this Major Luck Cycle. Actual decisions regarding conception should continue to reflect your personal wishes and the advice of qualified medical professionals.

SAMPLE

Employers, Supervisors, and Clients:
Gé Rén will analyse the symbolic strength of employers, supervisors, and clients within your chart. We will also explain the patterns of interaction that may commonly arise between you and these figures during this Major Luck Cycle, the support and trust you may receive, changes in the conditions for cooperation, and the pressures and challenges you may be more likely to experience.

Advice on Workplace and Business Relationships:
Based on these patterns of interaction, Gé Rén will offer suitable directions that may support communication, the building of trust, and the effective use of your own abilities.

Employees, Subordinates, and Suppliers:
Gé Rén will analyse the symbolic strength of employees, subordinates, and suppliers within your chart. We will also explain whether, during this Major Luck Cycle, the conditions for management, cooperation, delegation, and the allocation of responsibilities between you and these figures are supported, constrained, or otherwise changed, together with the pressures and boundaries that may require attention.

Advice on Management and Cooperation:
Based on these patterns of interaction, Gé Rén will offer suitable directions for management and cooperation that may support communication, appropriate delegation, the setting of boundaries, and the clear allocation of responsibilities, helping you build more stable working and business relationships.

Benefactor Support, Interpersonal Disputes, and Accident Risks During the Major Luck Cycle

Benefactor Support:

Gé Rén will analyse the interaction between this Major Luck Cycle and your original BaZi chart, explaining whether the conditions for receiving support, assistance, and key resources are enhanced, weakened, or otherwise changed. Gé Rén will also identify the ways in which help may be more readily obtained and the directions worth pursuing.

Risk of Adversaries and Disputes:

Gé Rén will identify the conditions during this Major Luck Cycle that may be more likely to give rise to misunderstandings, competition, disputes, or interpersonal drain, together with the situations and periods when the related risks may become more pronounced and call for greater vigilance.

Advice on Managing Risks:

Gé Rén will explain the BaZi conditions that may give rise to these risks and offer suitable directions that may support improved communication, the setting of boundaries, and the handling of disputes. Where contracts, legal matters, or litigation are involved, the advice of qualified professionals should still take precedence.

Accident Risks:

Gé Rén will analyse the more pronounced impact conditions arising from the interaction between your original BaZi chart and this Major Luck Cycle, explaining the situations and periods that may call for particular caution and providing practical reference directions for everyday safety and risk management. The content above consists only of risk indications drawn from the BaZi chart and cannot replace professional safety, medical, or legal advice.
